LADIES TRIPLES LEAGUE 2009

URGENT NOTICE

Dear Ladies,

As you know, the Triples League will be 3 rinks of 3 players per team; we have submitted 2 teams but now find that we have 27 ladies names on the board. I am not sure that the HKLBA would accept another team, but if I were to apply for an extra entry, it would depend upon the total undying commitment of the entry of all 27 ladies before I approach them. Please read the league game schedule which is already on the board and signify below whether or not you can guarantee to play all the games. If it is not possible for all 27 ladies, then we will have to adhere to the 2 team entry format and have reserves for each team on a rotational basis. Please urgently state your availability. Thank you.
