

KOWLOON BOWLING GREEN CLUB

29 September 2009

TO ALL TEAM CAPTAINS

Please note that a new box has been placed in the lobby on the wall of the club office. This is a dedicated box for the placing of league game score cards. Please ensure that whether playing at home or away, you put your teams score cards in this new box on the Saturday night or latest Sunday morning. The office staff will then be responsible for entering the results or verification of results in the LBA computer system. This is extremely important because the LBA intend to penalize teams that do not have their results registered.

John Lunn
Bowls Convenor
