Subject: Updates on LCSD Free Use Scheme 2012-13

Dear All Convenors

As you may be aware, we have recently been informed by LCSD that HKLBA has to provide names of two responsible persons, one of whom must be present at each and every booked session to take up the booking at the venue. Due to the many Clubs involved at each venue for the free-use booking scheme, we find this new measure not practical for our Association to comply with as no one will be able to station at all the different venues and different time slots (i.e. 9am, 11am, 3pm) Monday to Friday from September to June to take up the booked session for 17 Clubs at Victoria Park and 13 Clubs at Siu Lek Yuen.

We have expressed our concerns and difficulties to LCSD in our letter of 11 August 2011 for their consideration. If LCSD requires our Association to comply with this new check-in procedure, we have no option but to withdraw from the free-use booking scheme.

Since we still have not received response from LCSD, **the free-use booking scheme will be suspended until further notice.**

Thank you for your attention and understanding.

Best regards,

Leona
