MEMBERSHIP DRIVE PROMOTION

The General Committee has decided to embark on a membership drive in order to boost our Club's membership.

With immediate effect, each successful application for ordinary membership will receive a rebate of maximum HK\$3,000 per month for 4 consecutive months, starting from the next full month after joining, towards his/her spending in the Club for food or drinks. The rebate will be reflected in new members' monthly statements. However credit will not be given to unused rebate (because spending is less than HK\$3,000), i.e. unused rebate cannot be accumulated or carried forward to the following month.

Please note that the joining fee for ordinary membership will remain as HK\$50,000.

The above promotion will end on 31 October, 2009.

The General Committee consider that the above promotion is very attractive and would be grateful if you could assist by informing your friends of the same immediately.

Membership application forms can be obtained from the Club Office during its opening hours.

Should you have any queries or require further information, please contact our Club Manager, Francis Yeung.
