

KOWLOON BOWLING GREEN CLUB

To : All KBGC Members

29 December 2009

Update on Membership Affairs

1. In connection with the offer of converting Ordinary Membership to Transferable Debenture Membership, the General Committee have introduced the following changes:

- A. Payment for Converting Ordinary Membership to Transferrable Debenture Membership

In order to assist those Members who are interested in converting their ordinary membership to transferrable debenture membership, the General Committee have introduced the following installment plan, in addition to the one off payment method.

Payment of the fee of HK\$15,000 can be made in five equal monthly installments. If Members wish to opt for this payment method, they should attach five cheques to their application form. The first of these 5 cheques should be dated the day that the application is submitted to the Club Office and the other 4 should be dated one month apart.

Remarks: Cheques must be crossed and made payable to “Kowloon Bowling Green Club”

Application will only be approved if/when full payment of HK\$15,000 has been received on time.

- B. Extension of Special Offer to Ordinary Members

The deadline of the special offer of HK\$15,000 if Ordinary Members wish to convert their membership to Debenture membership has been extended from end of December 2009 to 31 of March 2010. This is because the General Committee are aware that some members wish to have more time to consider whether they should take up this special offer.

2. Extension of Food & Beverage Rebate to New Members

The existing rebate of HK\$12,000 to newly joined members will be extended to 31 March 2010.

Thank you for your kind attention to the above and please contact the Club Office at 23687733 if you have any question.

On behalf of the General Committee, I wish you a happy and healthy 2010.

Alan Lo
Hon Secretary
Kowloon Bowling Green Club
