How Car Parking Policy Works?

- Only cars carry valid car parking labels can enter the car park.
- All cars will be issued a ticket indicating the entry time and car registration number upon arriving our club.
- Car park attendant will record the car registration number, membership number in the ticket. Upon leaving the car park, the car park attendant will stamp the leaving time and obtain the member's signature on the ticket. Member will receive a copy of the stamped ticket for his/her own record.
- Office staff will calculate the actual sum and post to the respective member's account.

Q & A
