Re : Application for Temporary Carpark Permit

I, \_\_\_\_\_ KBGC Membership No. \_\_\_\_\_  
(Surname) (Given Name)

wish to apply for a Temporary Carpark Permit because of the following reason(s).

The permit has been lost and application for a replacement has been made.  
I hereby declare that the label had been lost and I will surrender the cancelled label if found. I understand that replacement cost of HK\$25 will be charged to my account.

The registered vehicle \_\_\_\_\_ is being repaired.  
The vehicle \_\_\_\_\_ will be used from \_\_\_\_\_ to \_\_\_\_\_ inclusive while the registered vehicle is being repair.

I fully understand that Guest hourly parking rate will apply to all non-registered vehicle parking in the premises of KBGC, and the carparking charge for the substitute vehicle will be charged to my account. I understand that if I could produce the proof of the repair of the registered vehicle, the carparking charge in respect of the substitute vehicle may be waived. (e.g. copy of statement or invoice issued by any vehicle repair institution )

Your kind approval is appreciated.
