Dear Valued Member,

## Open Forum on 17 July, 2011

Your General Committee is committed to providing members with the best quality service, and that is why we continuously work on the feasibility programme for the redevelopment and expansion of our club premises. In order to provide you with a higher level of quality and better communication between members and the management team, the General Committee has decided to hold an Open Forum on 17 July (Sunday), 2011 between 11.00 hours and 12.30 hours at the Club's TV Room.

The forum will take the form of "morning coffee" gathering so that informal and casual exchange of opinions can be freely and frankly established in a friendly atmosphere. The four officers of the General Committee will act as facilitators while other General Committee members will also attend to exchange their views in their respective areas of responsibilities.

The main theme of the forum is Club Redevelopment/ Expansion , however, discussions on other interest or contentious matters will also be welcome.

On behalf of the General Committee, I cordially invite you to participate in this discussion session and contribute your views and support.

For the sake of better seating arrangement, I would appreciate if you would fill in the enclosed return slip to indicate your attendance.

We look forward to your continuous support and serving you with our best quality.

Yours sincerely,

For and on behalf of the General Committee
