

KOWLOON BOWLING GREEN CLUB

22 July 2011

President's Message

The Open Forum for the purpose of exchanging views between members and members of the General Committee was held on 17 July 2011 conclusion comments:

I am very pleased to see that 48 members attended the forum and vigorously expressed their views which though represented views of diverse interest and different points. Members did speak out freely and exchanged their views in spite of the time constraint and concluded within two hours. I regard this as a successful channel for the collection of members' view. However, I feel that if members could take the best interest of the Club as a pretext and mutually respect each other with a positive and softly approach avoiding personal attacks then the effect of this view exchanging channel could be further maximized and subsequently the operations of club affairs could be on the right and smooth track.

The General Committee having identified the views and requests from the members such as the redevelopment/expansion of club premises, adequate consultation, sufficient notice for changes in the conduct of club affairs and operational arrangements and the adjustment of charges, cutting of operation costs, entrance fees and monthly subscriptions as well as the tendering of the club's catering services, is now considered to employ an independent, professional opinion/poll consultancy firm to conduct a total population survey to establish what are the real needs of the majority of members and then the General Committee will actively discuss all options available and then notify members before implementation.

Finally, on behalf of the General Committee, I would like to thank those members who gave their valuable time to participate in this forum and contributed their valuable views and suggestions for better management of club affairs and operations.

Good Health & Good Bowling!

2011年7月17日會員與執委座談交流會結言

是次舉行的會員與執委會之意見交流會，本人很高興共有 48 位會員出席及積極發表意見，在席間雖存在不同的觀點，大體上發言會員皆暢所欲言，惟時間所限，交流會在兩小時內結束，但仍感意猶未盡，熱烈的情況可見一斑，亦充份確認此座談交流會的目的。惟本人認為若要進一步發揮此類座談會交換意見的功能，各會員必須本着以會的利益為前題，互相尊重，發言不應在沒有任何憑證下作胡亂批評及人身攻擊，則會務運作必然更加暢順。

執委會正集合交流會中提出要求改善項目的意見，例如會所重建及擴充、充足諮詢、規章更改、操作安排及收費調整適時通告、營運成本之節約、餐廳投標、月費及入會費之調整等。執委會將考慮聘請獨立專業調查機構，作全體會員意見調查後，盡快討論，公佈後落實。

在此本人謹代表執委會感謝各會員撥出寶貴的時間出席參與並提出寶貴的意見。

順祝

身體健康，波運亨通！
